3 BRITS QUIZZED OVER SPEEDBOAT DEATH IN CORFU

By ROY DURRIDGE
news@sundaysport.co.uk

THREE Britons are being questioned by police on the Greek island of Corfu after a mother-of-four died when struck by a speedboat while swimming.

The three, who have been described by local media as being "young", are being held following the death of the 60-year-old Yorkshire woman, named as Claire Glatman.

Mrs Glatman, who lived in Bedale, was said to be enjoying her regular morning swim in the sea off Avlaki Beach when she was hit.

The Greek coast guard said her body "bore obvious signs of being hit by a boat propeller".

Coroner Ioannis Aivatidis said Mrs Glatman suffered multiple injuries to her left wrist, arm, chest, pelvis and upper right leg, leading to internal and external haemorrhaging.

Mangled

He added that Mrs Glatman was hit hard by the speedboat, which twisted her around and she was mangled in the propeller.

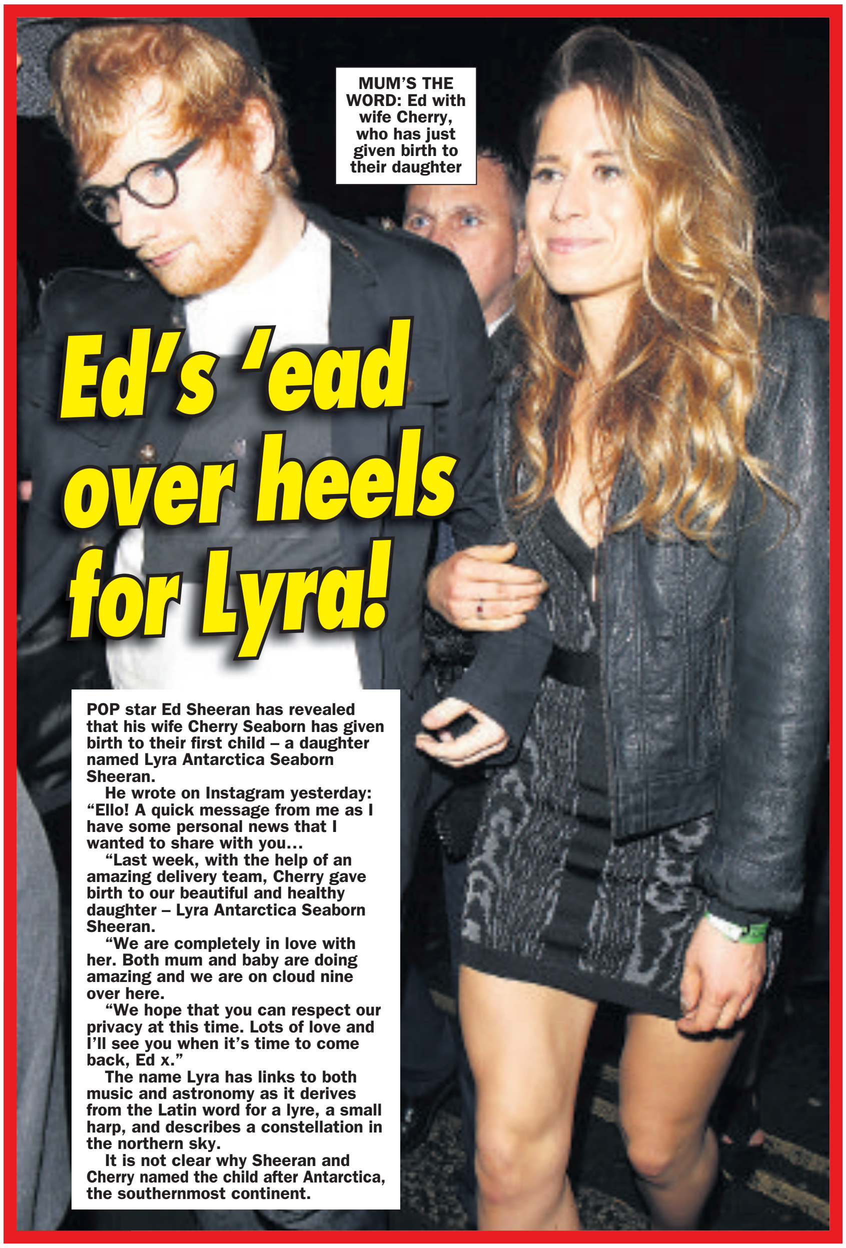
The wounds were so severe, he said, that no attempt to resuscitate her would have worked had she been recovered from the water.

Reports suggested the speedboat was pulling water skiers when it collided with Mrs Glatman.

The boat, apparently driven by one of the Britons held by port police, was later found abandoned at a marina on the other side of the island.

Local media said Mrs Glatman was a resident of Corfu for most of the year who was "very popular in the local community" and was described by a friend as "a very good and genuinely nice person".

A friend wrote on Facebook: "She was an absolutely lovely woman."



MUM'S THE WORD: Ed with wife Cherry, who has just given birth to their daughter

Ed's 'ead over heels for Lyra!

POP star Ed Sheeran has revealed that his wife Cherry Seaborn has given birth to their first child – a daughter named Lyra Antarctica Seaborn Sheeran.

He wrote on Instagram yesterday: "Ello! A quick message from me as I have some personal news that I wanted to share with you...

"Last week, with the help of an amazing delivery team, Cherry gave birth to our beautiful and healthy daughter – Lyra Antarctica Seaborn Sheeran.

"We are completely in love with her. Both mum and baby are doing amazing and we are on cloud nine over here.

"We hope that you can respect our privacy at this time. Lots of love and I'll see you when it's time to come back, Ed x."

The name Lyra has links to both music and astronomy as it derives from the Latin word for a lyre, a small harp, and describes a constellation in the northern sky.

It is not clear why Sheeran and Cherry named the child after Antarctica, the southernmost continent.

PM considers Marcus's kid hunger plans

MARCUS Rashford's proposals for a new taskforce to tackle hunger in children will be considered by Boris Johnson's Government, the Prime Minister's spokesman has said.

The Manchester United and England striker is to spearhead new moves to counter child food poverty after forcing a Government U-turn on free school meal vouchers for eligible children over the summer holidays.

The 22-year-old has spoken about his own experience of using a food voucher scheme as a child and has been widely praised for his campaing on the issue.

The Prime Minister's official spokesman told a Westminster briefing: "We are taking substantial action to make sure that no child goes hungry during the pandemic

"We will carefully consider the taskforce recommendations."

EU trade deal 'won't be easy'

A POST-Brexit trade deal with the European Union remains possible but won't be easy, Downing Street has said.

Britain and the EU remain deadlocked in talks on future trade ties, with just four months until the transition period ends.

Informal Brexit talks between negotiators David Frost and Michel Barnier were taking place in London yesterday, ahead of the eighth round of negotiations next week.

The PM's spokesman said: ""We believe an agreement is still possible and it is still our goal but it is clear that will not be easy to achieve."

Love Island's Collard: I've got Covid-19

LOVE Island star Adam Collard has said he has tested positive for coronavirus after a trip to Greece.

The reality star *(above)* said there are "no exceptions" to who can catch the illness and his diagnosis shows it can be "caught by anyone".

Writing on his Instagram story, he wrote: "A hell of a lot of people DMing me asking what this is like and where it's from etc.

"First point, my best mate and me shared a bed/flight for 4 days together in Greece and he's Negative and I'm Positive. So it could be from anywhere.

"Done 50+ tests in gym and all negative.

"Secondly it obviously can be caught by anyone since I'd like to think I'm fitter & healthier than the average joe. No exceptions.

"For me, it's actually ok, manageable. Best way to describe it is like a bad hangover with a mega dry throat."

Rape suspect MP to avoid Commons

A CONSERVATIVE MP arrested on suspicion of rape has "voluntarily agreed" not to attend the House of Commons for the period of their bail, according to Sir Lindsay Hoyle.

The Commons Speaker also discouraged MPs from using parliamentary privilege to name the member who was arrested.

Prime Minister Boris Johnson has been criticised for not suspending the MP from the Conservative Party, insisting a decision will be made when the police investigation is concluded.

The Metropolitan Police received allegations on July 31 of sexual offences and assault relating to four incidents at addresses in London, including in Westminster.

The force said a man was arrested on August 1 on suspicion of rape and taken into custody.

PORN STAR'S 20 NEW SEX ASSAULT CHARGES

ADULT film star Ron Jeremy has been charged with an additional 20 counts of sexual assault involving 13 women, including a teenager, dating back to 2004, prosecutors have said.

Jeremy, 67, was charged with raping three women and sexually assaulting another in June.

He has been held in jail on £4.9million bail since.

The Los Angeles County District Attorney's Office has now announced new charges, including six counts of sexual battery by restraint, five counts of rape and lewd conduct with a 15-year-old girl.

The new charges against Jeremy – whose full name is Ron Jeremy Hyatt – span a 16-year period and the alleged victims range from 15 to 54, prosecutors said.

The teenager was allegedly attacked at a house party in Santa Clarita, a city 33 miles north of Los Angeles.

If convicted as charged, Jeremy faces a possible maximum sentence of more than 250 years to life in state prison.

Jeremy (left), who is nicknamed 'The Hedgehog', is one of the most high-profile figures in the porn industry and has appeared in more than 2,000 films.

The revealing shots were taken by Bella and posted online by her ahead of the MTV event and we thought you deserved a gander at her magnificent breasts in all their glory.

Bella, 23, was at the socially-distanced Video Music Awards to present Lady Gaga with one of her gongs – but it was Bella's fans who were going gaga at her outfit.

ADELE 'SLAPS CRITICS'

ADELE 'broke her silence' after being accused of cultural appropriation for wearing a Jamaican flag bikini.

The singer, 32, was slammed over a post to celebrate Notting Hill Carnival but she appeared to poke fun at the situation when she used the Jamaican greeting "Wah Gwaan! Yow gyal, yuh look good enuh" to comment on it.

The words are Jamaican Patois, the main language used on the Caribbean isle, and effectively mean: "What's up? You look good girl."

However, some fans are convinced Adele never made the comment and that someone photoshopped it into the picture.

'I want to see your t*ts' grope drunk beats jail

A DRUNKEN City worker who sexually assaulted a woman as she helped him into a cab after he was thrown out of a work do has been spared jail.

Christopher Ross, 32, who worked for a major accountancy firm, shoved his hand down the victim's trousers and slurred 'I want to see your tits'.

He left the woman feeling 'sick' and 'sore' after physically restraining her while he groped her bottom and touched her genitals.

She fought off his attempts to kiss her and eventually broke free outside the venue in Fleet Street, London.

Ross *(above)* claimed he had no memory of the fateful evening but said he was remorseful for his actions.

Ross, of Walsall, West Midlands, admitted two counts of sexual assault at Westminster Magistrates' Court

He was sentenced to a two-year community order and ordered to pay £500 compensation to the victim.

BLONDE TEACHER 'HAD SEX IN FIELD WITH TEEN PUPIL'

DROVE TO SECLUDED SPOT: Barber

She sent him naked pics and sexted him in class, court told

By GRACE HOOPER
news@sundaysport.co.uk

A SCHOOL miss who romped with an underage boy pupil in a field sent him a Snapchat video of herself masturbating in the nude, a jury heard.

Kandice Barber was said to have approached the boy at a school sports awards day and added him on Snapchat messenger.

Prosecutors said the then 33-year-old had picked up the youngster in her car and driven him to a secluded area, where she had sex with him.

Jurors at Aylesbury Crown Court heard how the teacher, who had school-age children of her own, had later met up with the boy for two other illicit trysts and sent him pictures of herself topless, which were then widely shared around the Princes Risborough School in Bucks.

Prosecutor Richard Milne said: "It all started at a sports evening on September 27, 2018, when she came over to him and asked to borrow his phone.

"She had possession of his phone, she put her details into his Snapchat account.

"He thought it was a bit weird as he was mates with her son, who was at the same school.

"Things developed on her part by her sending him messages. She would tell him she was having a bath or a shower and then ask him if he wanted to meet.

"She had driven over, he got into her car, she asked for somewhere private, he suggested some fields. It was 5pm in the evening on a school day."

The court was told that Barber had sex with the boy and then later sent him topless pictures of herself, which were shown to the jury.

By the start of last year, the headmaster at Princes Risborough School had come into possession of one of the topless pictures, which were circulating along with rumours of the affair.

Talking about the alleged victim, Mr Milne added: "He was not proud of what happened, he was not showing off, it was not some sort of fantasy. He was extremely concerned and nervous when the rumours were going around.

"He knows that they did not have sex after his 16th birthday because she had proposed a hotel as a special treat for his 16th birthday, which he politely declined."

In a video interview with police given on March 11 last year, the boy claimed the two had continued messaging for months after he turned 16 years old, only stopping because the school staff found out.

The complainant added that when called in to speak to his headmaster, he initially denied that he had sex with Barber.

Speaking to a member of the child abuse team at Aylesbury police station, the boy, who cannot be named, said: "I lied because she had told me she could be pregnant with my child and I began to panic. I lied to pretty much everyone except my friends.

"She said that if I was going to snitch, snake on her basically, she was going to bring me down with her. I was like, are you going to accuse me of rape?

"Obviously I got angry and I did not talk to her after that."

Barber, now 35, from Wendover, Bucks, denies three counts of causing or inciting a child aged under 16 years to engage in a sexual act, one count of sexual communication with a child, one count of causing or inciting a child to engage in sexual activities while in a position of trust, and one count of causing a child to watch a sexual act by a person in a position of trust.

The trial continues.

Sam Cam tells of woes after leaving No 10

EX Prime Minister David Cameron and his wife Samantha struggled as a couple for a YEAR after he quit Number 10, it's been revealed.

Mr Cameron walked away from the job the day after he lost the Brexit referendum in June 2016 – and his missus says it led to trouble at home.

Samantha (*above*), 49, claims that it took a weekend alone together in New York without their three children to put them back on track.

She said that a year after David resigned she and her husband were not "getting on very well" and it was "really weird".

Mrs Cameron, who lives with her husband and three children in their £1.5m home near Chipping Norton, Oxfordshire, said in a podcast, she said: "We're not very good at going away with each other but we did go to New York for three days.

"It was amazing how a few days on your own somewhere else – you know, things that had nothing to do with children, put us back on track again."

Wife killer tried to revive her with COW SHIT

A MAN killed his wife and then covered her body with cow dung in a bizarre bid to revive her.

Bhaiyalal Evne, 46, was arrested at Chicholi village in the Betul district of Madhya Pradesh, India.

Police spokesman Deepak Parashar said: "Police recovered the semi-decomposed body of Sunita Evne covered with cow dung from her house after some villagers complained of a foul smell coming from the accused's house.

"Bhaiyalal said his wife quarrelled with him. He hit her on her head with a wooden stick and she died on the spot.

"A sorcerer told him that he could revive anybody.

"On his advice, he covered the body with cow dung."

Police are still hunting the sorcerer.

SON 'WORE NIGHTIE AS HE KILLED HIS MUM & PUT HER HEAD IN FREEZER'

By COLIN HURST
news@sundaysport.co.uk

A SON dressed in a negligee stabbed his mother through the heart with an ornamental sword and then cut off her head and stored it in the freezer, the Old Bailey heard.

The court was told that, after decapitating frail Angela Tarver, 86, at their £600,000 home, Philip Tarver sliced off her finger and put it in the kettle.

Jurors heard the 47-year-old then turned on his father Colin Tarver, 83, during the argument in the kitchen and threatened to kill him.

But the heroic dad managed to wrestle the weapon away from his son and call the police.

By the time officers arrived at their home in Woking, Surrey, Mrs Tarver's severed head had been placed in the freezer and her left ring finger sliced off and put in the kettle by her son, the court heard.

Scream

Alexandra Healy, prosecuting, said: "Tarver downed a bottle of vodka and six beers the night before the killing."

The following morning he came down the stairs wearing a woman's nightdress and began to 'spring clean'.

Ms Healy said: "While he normally wore male clothing, he did sometimes wear female clothes."

Preparing breakfast, Colin Tarver heard his wife scream out.

Ms Healy said: "He heard a short, sharp scream, and ran from where he was into the dining room.

"He could see that the chair that Angela was sitting on was knocked over. He could see his wife's feet were resting on that knocked over chair and they were not moving.

"Suddenly, the defendant appeared in front of him holding an ornamental sword.

"He was holding the sword out in front of him, pointing it towards Colin Tarver.

Demented

"He said something to the effect of 'I am going to kill you' or 'I have to kill you'.

"He had a demented look in his eyes."

The court heard that while Colin Tarver was standing outside, the defendant decapitated his mother, placed her head in the freezer in the kitchen and then amputated her left ring finger, which he placed into a kettle.

Ms Healy added: "He started a clean-up operation."

When police arrived, he came out of the house holding a Union Jack flag saying 'I surrender'.

He added: "I am sorry for killing her. F**king hell, I must repent for my sins."

Philip Tarver, of Woking, denies murder and threats to kill.

The trial continues.

GIANT COVID SPIDERS CAN SMELL YOU HAVING SEX!

GIANT sex-mad spiders are invading UK homes as Covid-19 restrictions have allowed them to reproduce at a staggering rate during lockdown.

The spiders, which can reach up to FIVE INCHES in legspan, are believed to have arrived in Britain from China in shiploads of imported fruit.

They have thrived under our wet and warm summer conditions – and with the lockdown leaving many areas like ghost towns, they have spread like wildfire across the country.

Professor Julian Hughes, who lectures on spider behaviour at the University of West Lancashire, said: "This is a particularly virulent species of spider, with an incredible capacity to reproduce, and they are attracted by human sexual activity.

"People are terrified of little spiders. Wait until they come face to face with one of these suckers.

"Spiders smell with their legs and this Asian giant spider is particularly fond of sex smells or pheromones given off by humans during love-making.

"Their bites – which to the spiders are essentially love bites – can be extremely painful to humans and in some cases fatal."

Spiders like damp, dark and dusty places. It is believed these giant ones have flourished because people are vacuuming and cleaning their homes less regularly as they're not allowed visitors round.

RANDY pensioners say they want to have a THREESOME before they pop their clogs.

By GRACE HOOPER
news@sundaysport.co.uk

A poll of 2,400 Brits over the age of 60 found that 58 per cent wanted to have 'group sex' before they died.

A kinky 63% also said they wanted to try BDSM, while 53% admitted they wanted to experience role play in the bedroom – when they or their partner dress up like nurses or sailors to give each other a thrill.

The study, by online marketplace OnBuy.com, also found that 44% were interested in having a spanking session with their partner.

Asked how often they thought about sex, female OAPs thought about it more than men.

A whopping 73% of older and bolder women think about sex at least twice a day, compared to 69% of men.

However, 21% of men thought about sex up fo five times a day, compared to 17% of women.

Astonishingly, 8% of both men and women polled thought about bonking up to 10 TIMES A DAY.

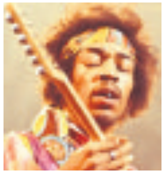
Cheating

Two per cent of both men and women thought about sex more than 10 times a day.

The eye-opening research also discovered that one-in-10 OAPs wanted to start a new sexual relationship by the end of the year – even if that meant cheating on their partner.

A spokesman for OnBuy.com said: "As adults age, many begin to worry about sex later in life and shy away from sexual encounters.

"However, studies show that frequent sex is reported to increase lifespan, solidify relationships, and improve physical and even mental health."



£15K to get Jimi's pink feather boa

A PINK feather boa belonging to rock legend Jimi Hendrix could fetch up to £15,000 at auction.

He gave the item to photographer Karl Ferris on his return to London after the festival.

Karl is now selling the object in the run-up to the 50th anniversary of Hendrix's death, aged 27, on September 18.

"Jimi called it his 'Magic Boa' because it brought him much luck," Ferris said.

The boa goes under the hammer at Merseyside-based Omega Auctions' music memorabilia sale on September 8.

STUDENTS WATCH AS TEACHER OGLES PORN

He thought he had ended online class

COPS are investigating a schoolteacher suspected of watching PORN while two students were logged into his online class.

Schools in Indian River County, Florida, reopened on August 24 to allow teachers to have more training on coronavirus protocols – including teleconferencing.

Officials provided families with three options for education – traditional return to school, virtual school and "transitional distance learning".

By GRACE HOOPER
news@sundaysport.co.uk

Police were notified of the incident involving the Sebastian River High School teacher and students in online classes on Monday.

Screen

They said the teacher, who has not been named, was giving instruction from his personal computer at his home.

As class ended, the teacher told students to log off from the session.

But two students did not log off and could still see the teacher's screen, sheriff's officials said.

The students said the teacher, also still logged in, began viewing online pornography, not knowing the students could still see him.

School District of Indian River County spokeswoman Cristen Maddux said: "We took immediate and decisive action by contacting law enforcement and then reassigning this employee, pending a full investigation.

"We will take every measure necessary to ensure the safety of our students and that student learning takes place in a safe environment, whether on campus or virtually.

"Employee misconduct of any nature which jeopardises the safety of our students will not be tolerated."

C**ts nick tools every 18 minutes

EVERY 18 minutes tools are pinched from the back of a builders' van in the UK, a study has revealed.

In the past year there were 28,681 reports of tools nicked from tradesmen and women – that's 78 every day.

Builders were mainly targeted, as their vans contain high value items like power tools, although plumbers, locksmiths, carpenters and electricians were hit too.

The research by Direct Line found that London was the worst place for tools thefts from vans, accounting for 30 per cent of all thefts in the UK.

GIRL SCREW HID DRUGS IN HER KNICKERS

By COLIN HURST news@sundaysport.co.uk

CAUGHT OUT: Gaves has been jailed for 3 years

A PRISON guard has started a three-year jail sentence after she smuggled cigarettes and drugs in her knickers to her inmate boyfriend.

Hannah Gaves hid cocaine, tobacco and cannabis in her underwear while working at Erlestoke Prison, Wiltshire, before passing it on to a prisoner she was having "inappropriate relations" with, a court heard.

Officers received intelligence that the 27-year-old was sneaking prohibited articles into the prison and she was stopped on her way to work.

Following a search, cocaine was found concealed in her underwear and she also had black plastic bags of cannabis, five packets of tobacco and Rizlas.

Cannabis

Gaves was arrested on suspicion of possession with intent to supply Class A and Class B drugs.

A further search of her home address saw money and herbal cannabis seized.

The search of an inmate's cell, who Gaves was suspected of having relations with, found tobacco and a sim card.

Gaves, of Gloucester, was locked up for three years at Salisbury Crown Court after admitting the drugs charges.

Detective Sergeant Garry Epps, from the Crime Targeting Team, said: "There is simply no tolerance for the behaviour shown by Gaves in this case.

"The sentence that has been given further highlights the severity of Gaves' actions and we hope acts as a deterrent to anyone who thinks they may be able to get away with anything similar.

"There is no excuse for ever falling into such activities and we will act strongly against anyone attempting to take drugs or any form of contraband into our prisons."

IT'S NOT ME...THAT'S MY CROOK-ALIKE BROTHER!

A MAN accused of shooting up a convenience store faced 20 years in prison – until he saw surveillance video being used as evidence against him.

The face that Darnell Palmer spotted on the video his lawyer sent him to review was his half BROTHER *(right)*, who looks just like him.

The evidence had stacked up against Palmer. He frequented the North Miami Beach store, owned a gun, and the car used by the shooter was traced back to Palmer's mother.

His lawyer, Scott Saul, filed a motion with Miami-Dade Circuit Court on June 30, arguing that the arrest was a case of mistaken identity and noting that Palmer had identified the man in the video as his half-brother.

Prosecutors have now dropped all charges. Saul said Palmer was "relieved" after spending three weeks in jails and months on house arrest.

"If I didn't get the information about the brother, this poor guy would have gone to trial and he'd have been guilty in a heartbeat," Saul said.

When newly-single Cindy Monkman met a handsome German stranger in a bar, for her it was love at first sight. Within three weeks they'd eloped to Las Vegas and got married. But just days later Cindy was dead, her body dumped in the desert, while her 'husband' pocketed the life insurance...

DECEPTION IN THE DESERT

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

By KOURTNEY KENNEDY

news@sundaysport.co.uk

TO everyone who knew her, Cindy Monkman was bubbly, energetic and beautiful.

A registered dietician with a master's degree, she was exceptionally bright and loved by her family.

And yet in September 1988, Cindy was at her most vulnerable.

She'd just split from a long-term boyfriend and, instead of pursuing her dream career, she'd somehow stalled to the point where she was working two low-paying jobs as a waitress and a health adviser to a medical group.

She wrote in her diary that her life was at a 'crossroads' – brought into sharp contrast by the fact she'd just turned 30.

A week after that diary entry, she walked into a bar in Mesa, California, and caught the eye of 25-year-old Michael Apelt, a tall, dark stranger with a movie star jawline.

On October 28, 1988, having known him for just three weeks, Cindy eloped to Las Vegas with Apelt, her family none the wiser.

Apelt had been in the US for just two months. He was unemployed and didn't even have a social security card.

Ten days after those nuptials, the pair walked into a Phoenix insurance agency and took out a life insurance policy that would see one of them pick up a cool $300,000 in the event of the other's death.

Assaulted

Early the next evening, they took a romantic drive to a remote site east of Apache Junction, a town nestled beneath the imposing Superstition Mountains made famous by countless Western movies.

Little did Cindy know that a car was following their own and it would herald her imminent death.

Inside that car were Michael's brother, Rudi, and his former lover, Anke Dorn.

At the foot of the mountains, Cindy was brutally assaulted, thrown to the floor and had her head stamped on.

While Michael's boot pressed her face into the desert sand, a knife was dragged across her throat with such force it almost decapitated her.

Michael then waited until the early morning of December 24 before calling the police to report his wife had disappeared.

Her body was found in the desert later that day.

When cops learned about the life insurance policy, they became instantly suspicious.

They brought the Apelt brothers and Dorn in for questioning.

After turning up the pressure during several interrogations, the whole sorry tale soon unravelled.

Dorn got immunity from prosecution by agreeing to testify against the brothers.

Memory

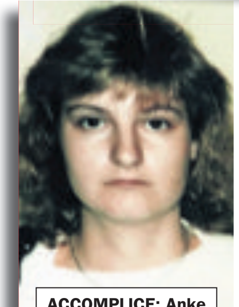
Both Michael and Rudi were handed death sentences – though Rudi's was later commuted to a life sentence after his lawyers successfully argued he was mentally handicapped.

Michael Apelt remains on Death Row, having first been sent there on August 10, 1990.

Cindy's memory, meanwhile, is being kept alive by her eloquent and passionate sister, Kathy Monkman Higham, who runs a blog titled 'Two Innocents'.

It's impossible not to read her posts and feel a deep sadness for her loss.

ROMANTIC: Cindy Monkman and, inset. with younger sister Kathy



ACCOMPLICE: Anke Dorn gave evidence

Crammed with family portraits showing the siblings growing up together, Kathy speaks movingly about what Cindy meant to her.

"We lost our mother when we were five and seven,' Kathy explains. "She was my entire world up until the time she was killed.

"Our brother, John, who fell in to mental illness after her murder, is living near me in Arizona. I am now his primary support person.

"Cindy was murdered by a man who, with his brother, came to the US from Germany with a plan to trick women.

"Their various cons elevated to the plan to find women to marry, take out life insurance and kill them for money.

"My sister was their first and last victim.

"I was 29 and she was 30 at the time of her murder.

'I know the death penalty appeals process intimately as well as the toll it takes on families.

"The worst treatment our family ever received over these years was by death penalty appeal lawyers.

"I also know that I have a life to live that is my own and that was never taken by this tragedy.

"I endeavour to help others and find inspiration wherever I can.

"I feel living this kind of quality life is the best tribute I can give my sister.'

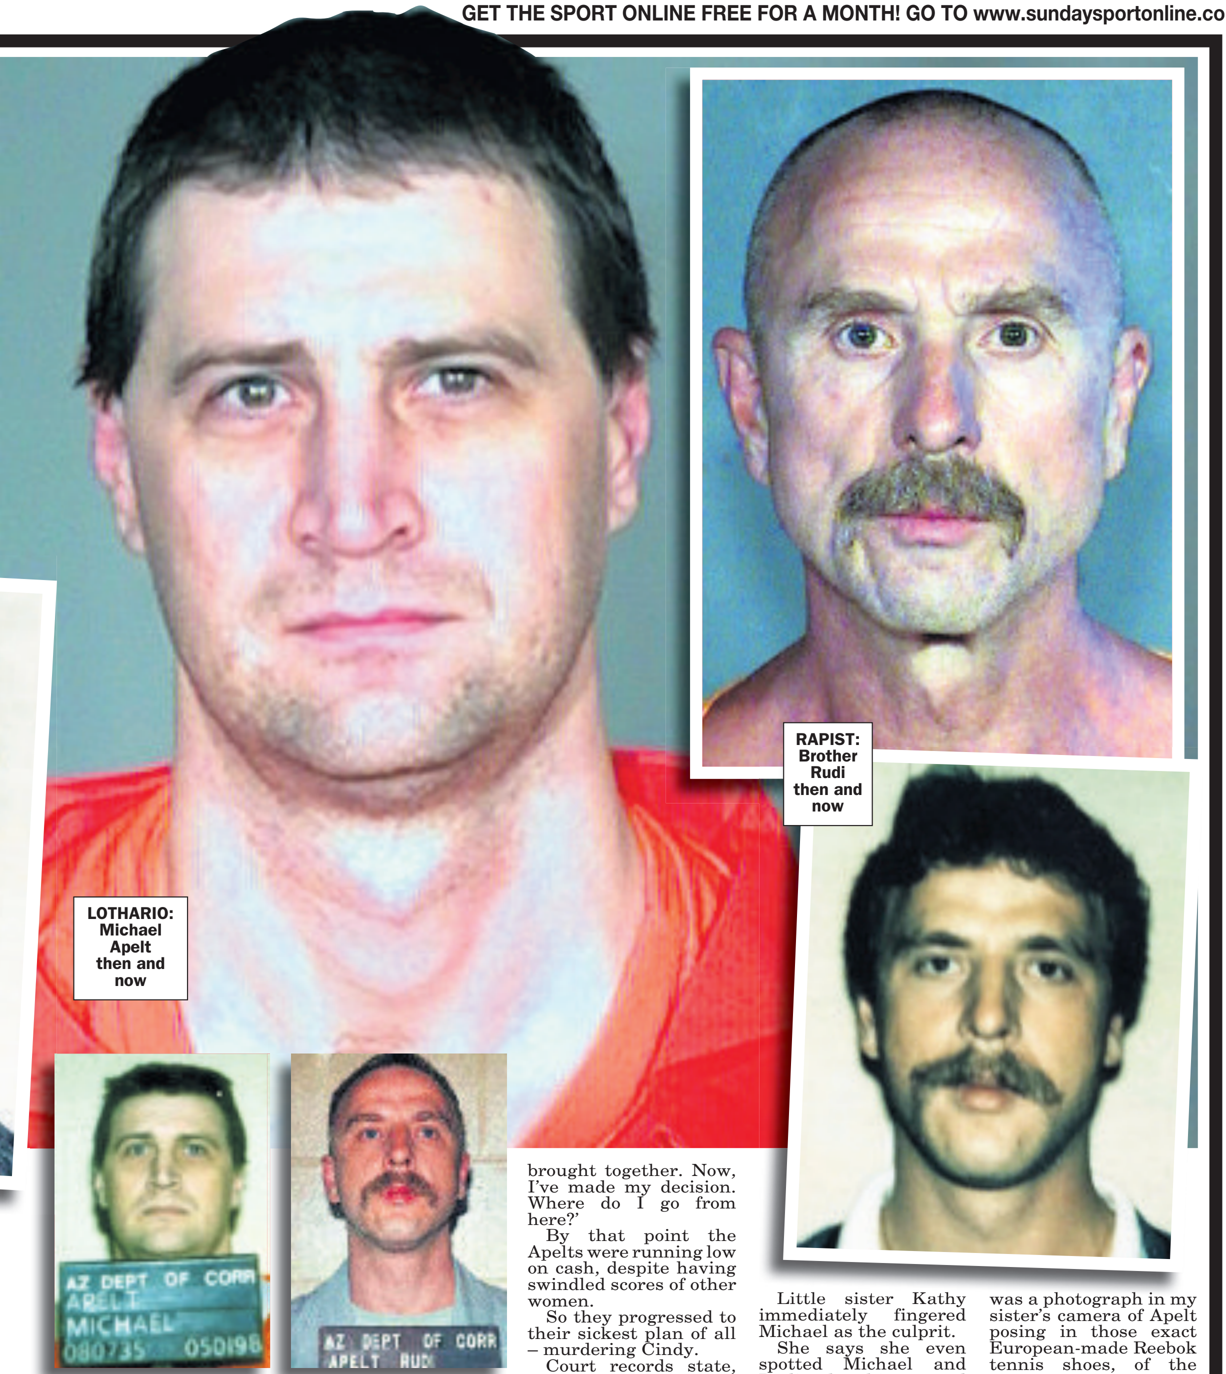
Violent

The Apelts arrived on American soil leaving a horrific past in their wake.

Michael had been a labourer in his native West Germany and had already racked up convictions for burglary, theft, insurance fraud and prostitution.

Rudi, meanwhile, had a worse rap sheet which included convictions for burglary, assault and insurance fraud.

IN FRIDAY'S



LOTHARIO: Michael Apelt then and now

RAPIST: Brother Rudi then and now

He had also served five years in a German prison for his part in a violent gang rape of a woman.

The court in Cindy's murder trial also heard disturbing details about the Apelts' childhood.

Michael had been despised by his parents. He'd been raped on at least two occasions as a child and had suffered psychological damage because of it.

His father – an alcoholic and former Nazi – would regularly chain Michael and Rudi in the basement and beat them to the point of unconsciousness.

The court also heard how when Michael got a tattoo from a friend, his father burned it off and punched the boy in the mouth whenever he attempted to scream out in pain.

On the evening of October 8, 1988, Cindy and Kathy were together in a bar when a friend, Annette Clay, introduced them to the Apelts.

Kathy was instantly suspicious. She got the impression they were a pair of womanising lotharios.

"I had a bad feeling from the start," she said. "And this isn't a hind-sight thing.

"Rudi tried to hit on me and he totally blew off my friend Annette – the girl he supposedly wanted to marry.

"I told Cindy later, 'These guys are gross'."

Cindy, though, was already smitten.

Kathy adds, "She kept saying, 'He's so into me, he's so into me, he wants to marry me'.

"I told her to just try to keep her feet on the ground."

That clearly didn't happen.

After marrying Michael in secret, Cindy wrote in her journal, 'I'm VERY happy. For some reason we have been brought together. Now, I've made my decision. Where do I go from here?'

By that point the Apelts were running low on cash, despite having swindled scores of other women.

So they progressed to their sickest plan of all – murdering Cindy.

Court records state, 'Michael Apelt told the group they could have a 'lot of money' if he killed Cindy.

'They agreed to the idea that evening.

'They made plans to meet in front of a German restaurant and proceed from there to the desert, where Cindy would be killed.

'Michael stated that he would bring Cindy and make sure she could not see where they were going.

Slashed

'Cindy's body was found in the early afternoon of December 24. She had been stabbed once in the lower chest and four times in the back.

'Her throat had been slashed so deeply that her head was almost severed from her body.

'There were a large number of bruises on her face and body. Police found a length of nylon cord and a blood-soaked beach towel near her.'

Little sister Kathy immediately fingered Michael as the culprit.

She says she even spotted Michael and Rudi laughing and joking as they drove away from Cindy's grave.

But, while the Apelts are safely behind bars, the agony continues for Kathy – particularly as the media spotlight has been turned on Michael rather than her sister.

She also rails at the women 'pen pals' who write to Michael in prison, believing him innocent.

Talking to on of them Kathy said:, "You're writing to Michael Apelt, who was wearing a European-made, size 15 Reebok tennis shoe when he stood on my sister's face while she was still alive, leaving his footprint behind as a bruise.

"I guess you think there was another man in a unique European Reebok tennis shoe in the exact same size, who would have had a motive to kill Cindy and lie like Michael did.

"Except that there was a photograph in my sister's camera of Apelt posing in those exact European-made Reebok tennis shoes, of the same large size.

"And he disposed of those bloody shoes, as he did his clothing, according to his other accomplice, Anke Dorn.

"Do you know that about seven other women came forward who he was conning and stealing from at the same time he married and was plotting to murder my sister?

"Then there were the Rolex dealers, all of the luxury car dealers in Phoenix and a custom home builder who came to court telling tales of these tall German brothers who had convinced them they were anything from professional athletes to pilots.

"Everyone believed them.

"They were spending Cindy's life insurance while she was alive.

"Yet there are still people like you torturing us with your own twisted agendas nearly 30 years after the fact."

THAT TURKEY LOOKS A BIT DICKY TO ME!

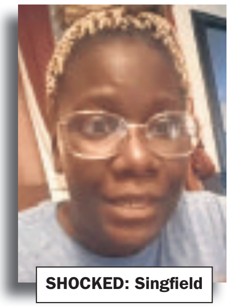
COCK TAILS? Oddly shaped meat

By COLIN HURST news@sundaysport.co.uk

A WOMAN who bought smoked turkey tails for dinner says she later unwrapped what she feared was a HUMAN COCK instead.

Shocked housewife Lamia Singfield ended up calling the cops – fearing the phallic-looking meat might be evidence of a crime.

Lamia said at least one of the "tails" looked a lot more like a human penis than any other kind of meat she knew.



SHOCKED: Singfield

"I'm calling the store, this ain't right," Singfield said on a Facebook livestream, referring to the grocery store where she bought the turkey.

"I know what this is."

Mystery

Police in Akron, Ohio, responded to her home to make a report and take the mystery meat to the Summit County Medical Examiner's Office for testing.

"I hope it's not a human, because then somebody is missing something that they need or somebody might be dead," Lamia said.

"I just want answers."

An investigator at the Medical Examiner's Office said tests had determined the meat was pork, not human.

The piece of meat also has a bone in it, which only added to the evidence it was not what it looked like and was likely a pig tail.

£1,500 payout for 'doing nothing'

A UNIVERSITY is offering three paid scholarships for "doing nothing".

Friedrich von Borries, who set up the project at the University of Fine Arts Hamburg, pledged £1,500 each to the three applicants a jury finds the most convincing.

The "art project" is not just about putting up your feet and doing nothing – applicants are asked to explain what exactly they will stop doing and for how long.

Brawl Maguire in 'torrent of F-word abuse'

HARRY Maguire yelled 'F*** Greek police, f*** the Greek civilisation' as police tried to detain him in Mykonos, one of the arresting officers has claimed.

The £85million Manchester United centre-half was last week convicted of assaulting police and attempted bribery after officers arrived to break up a brawl outside a bar on the island of Mykonos.

Maguire *(above)* has appealed and will face a full retrial.

In a statement printed in Greek publication Protothema, one of the arresting officers on the night of the scrap recalled Maguire, 27, launching a torrent of abuse as he was arrested.

The statement alleges Maguire shouted: 'F*** you all, f*** off, f*** the Greek police, f*** policemen, f*** Greece, f*** the Greek civilisation, I don't give a s***'.

The statement adds that Maguire 'attacked the sergeant... pushed him away and kicked him in the right leg'.

Mohawk thief nicked £4,500 pompapoo pup

POLICE have arrested a man with a mohawk hairstyle who allegedly stole a £4,500 puppy from a pet shop.

Vahid McLaughlin, 47, was arrested on a grand theft charge after the crime was reported at a Petland outlet in Pembroke Pines, Florida.

The manager said the man began acting erratically with the pompapoo puppy named Toby – a cross between a Pomeranian and a toy poodle – before pushing an employee and walking out of the store with the dog.

"He said he wanted to take the puppy to the vet," Petland manager Stephani Victor said.

"He left his ID here and his bicycle, and he left his social security and his address with us, so obviously he wasn't completely there."

The 24-year-old admitted she's always naked around the house and often resorts to digging out her favourite toys when she's single.

But the 32E brunette, from Brentwood, Essex, said she's gagging for some kinky two-on-one action.

She said: "The thought of another woman is a real turn-on. She would have to be absolutely stunning, though.

"But at the same time I wouldn't mind two guys – if they were both hot.

"That would be amazing."

Scarlet added: "I am always naked. I practically live with no clothes on. I just love being nude."

Do Naga and her pals need a bit on the side?

COINING IT IN: Munchetty and Bruce *(below)*

IF you ever force yourself to watch the BBC News again, think about this...

How much is that person sat on the box in front of you getting paid to read the autocue?

I'm not talking about the much-discussed Gary Lineker, who still earns somewhere north of £1million from a high of £1.75m A YEAR for fronting *Match of the Day*.

No, I'm talking about those little heads that peer out at you in the morning while you sip your breakfast hangover tea and try desperately to not think about the bills piling up on the mantelpiece.

The people who are so damn cheery at 7am that you'd be inclined to kick the screen in if you had the energy to drag yourself off the couch.

Take Naga Munchetty, the pixie-haired *BBC Breakfast* presenter.

Swanky

Did you know that, for repeating the same stories on the hour every hour in the mornings, she gets £190,000 a year?

Maybe she's worth it, I don't know, but surely that's enough to scrape by on – especially when she's being paid directly out of a licence fee that YOU have to pay under the threat of jail if you don't.

Yet it now emerges she has a sideline in hosting or moderating "corporate events" – swanky in-house get-togethers for those firms still with a few quid to spare on what are effectively staff parties.

According to The Sunday Times, for those off-BBC-books gigs she charges up to £10,000 a time.

Nice work if you can get it – especially if you don't need it.

Then there's the ever-lovely Fiona Bruce, who as well as helming the increasingly dull *Question Time* is also the face of the *Ten O'Clock News* and *Antiques Roadshow* and a few other programmes you've likely never watched.

Her cost to you, dear under-the-cosh licence fee payer? A mere £800,000 – a YEAR.

Yet she still has to pay the bills, the poor lamb, so finds herself charging up to £25,000 a time for after-dinner speeches, too.

They're by no means the only ones, either. Loads of BBC News faces are at it, too.

Put aside the greed – what about if Bruce or Munchetty later find themselves presenting a troublesome story about any of these corporate titans whose shiny doubloons they had previously pocketed?

Shouldn't they – like any MP is meant to do – declare an interest?

The Beeb got a not-so-new boss on Tuesday, another middle-aged white male BBC insider with a brief to shake things up.

High on his list should be to draw up a comprehensive reminder to those within the corporation that they are *only* there because of the licence fee payer – not in spite of them.

Auntie loves her slogans, so perhaps incoming director-general Tim Davie will accept my suggestion for his new era:

STOP TAKING THE PISS.

Fed-up Joss: ADHD a lot of bollocks

SINGER Joss Stone has claimed ADHD is 'bollocks' and people with depression can cure themselves by deciding 'that's not who they are'.

The 33-year-old *(above)* admitted she sounds like a 'conspiracy theorist' but said she believes drug companies like to give names to people's feelings so they can create drugs and make 'millions'.

She said she wants everyone to go into the woods and 'hug a tree' to feed their soul rather than using medicines prescribed by doctors.

Speaking on her 'A Cuppa Happy' podcast, she said: "This makes me sound really terrible but I kind of grow tired of hearing people go 'I've got anxiety, I've got depression'.

"You have to decide that's not who you are."

She also claimed that children diagnosed with ADHD (attention deficit hyperactivity disorder) actually just have a lot of energy.

"It's a lot of bollocks," she said."

Skint ISIS bride raised cash by selling her AK47

A WOMAN who joined ISIS fell on such hard times that she had to sell her wedding present – an AK47 rifle.

German federal prosecutors said they have indicted Zeynep G on three counts of participating in the activities of a "foreign terrorist organisation", breaching arms control laws and committing a war crime.

After fleeing to Syria, she married a Chechen fighter – but after his death she wed a fellow German ISIS member and moved to the group's stronghold of Raqqa.

Prosecutors said the woman requested a Kalashnikov rifle as a wedding present – but after several weeks "it had to be sold due to a shortage of money".

She was detained in Turkey and arrested on her return to Germany.

SPUNK, CLICK, EVERY TRIP!

By GRACE HOOPER
news@sundaysport.co.uk

AN online campaign to promote wearing seatbelts has been swamped with girls flaunting huge BOOBS.

A hashtag was created by a youth safety organisation to remind young drivers of the importance of being buckled up – famously promoted in the UK in 1970 by meganonce Jimmy Savile under the slogan "Clunk click, every trip!"

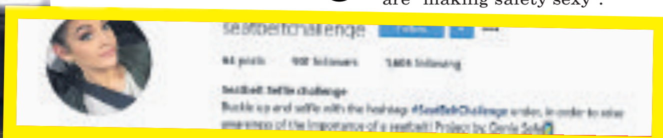
#SeatBeltChallenge is an Instagram page that was created in 2016 by Dania Safa in memory of one of her close friends who died in an accident due to not wearing a seat belt.

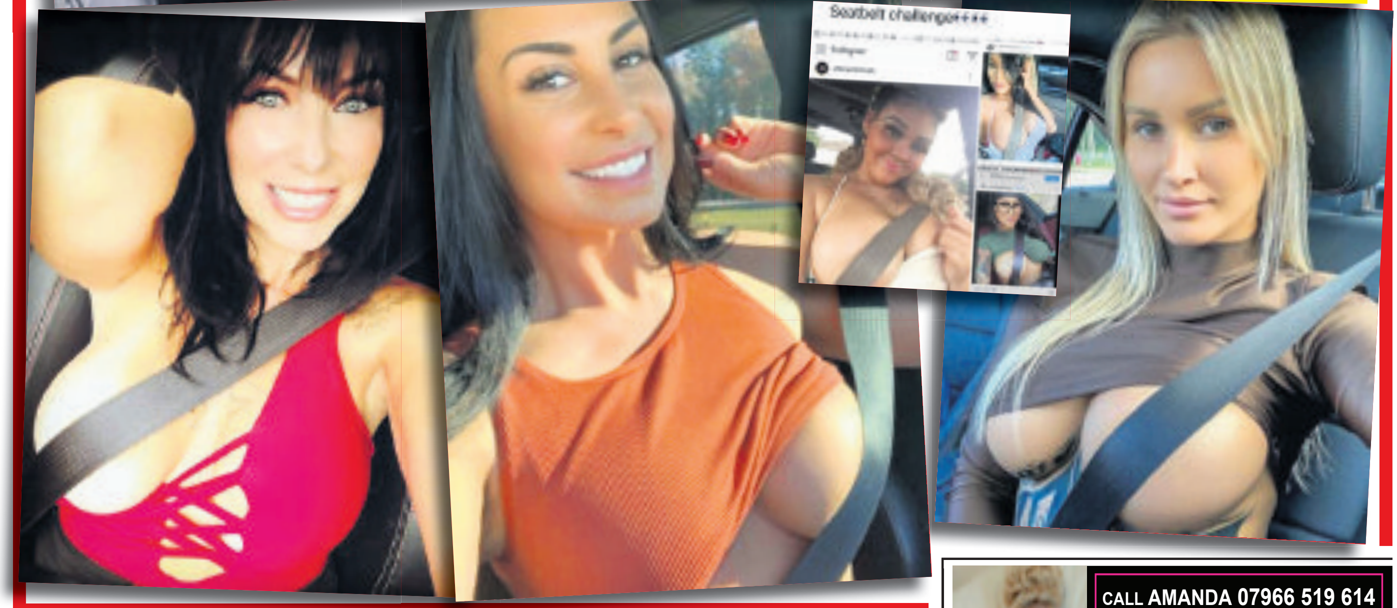
"Buckle up and selfie with the hashtag #SeatBeltChallenge under, in order to raise awareness of the importance of a seatbelt," the page's bio reads.

But while the page posts selfies taken by people who want to share an important message, the hashtag has also been flooded with raunchy photos.

The images all show women who have lifted or pulled their tops down to expose their boobs, while positioning the seatbelts over their nipples.

Most contributors don't seem to mind, with snaps attracting comments that state the women are "making safety sexy".





DID WIFE KILL ADOPTED SON SHE MARRIED?

A GOSPEL singing politician is accused of masterminding the assassination of the husband who was once her adopted son.

Flordelis dos Santos de Souza is fighting to avoid jail after police in Brazil claimed she had orchestrated her partner's 2019 murder.

The politician met – and initially adopted – Anderson do Carmo in 1991 when he was 14 and she was 30.

They married in 1998 after becoming romantically involved.

Anderson was gunned down outside their home on June 16 last year.

At the time, the singer – who fans call simply Flordelis – claimed her husband had been killed by thieves.

Immunity

But on Monday, investigators alleged she had plotted to kill the preacher, 42, with the help of at least seven of the couple's 55 mostly adopted children.

Armed police arrested five of the congresswoman's children and one granddaughter but were unable to detain Flordelis, as she enjoys parliamentary immunity after been elected to Brazil's 513-member lower house in 2018.

Now fellow lawmakers hope to change that. In an official petition to the speaker of the lower house, Léo Motta, a right-wing congressman and former police officer, demanded she be stripped of her term.

"Given the avalanche of evidence against congresswoman Flordelis, it is clear she cannot remain in the position to which she was elected," said Motta.

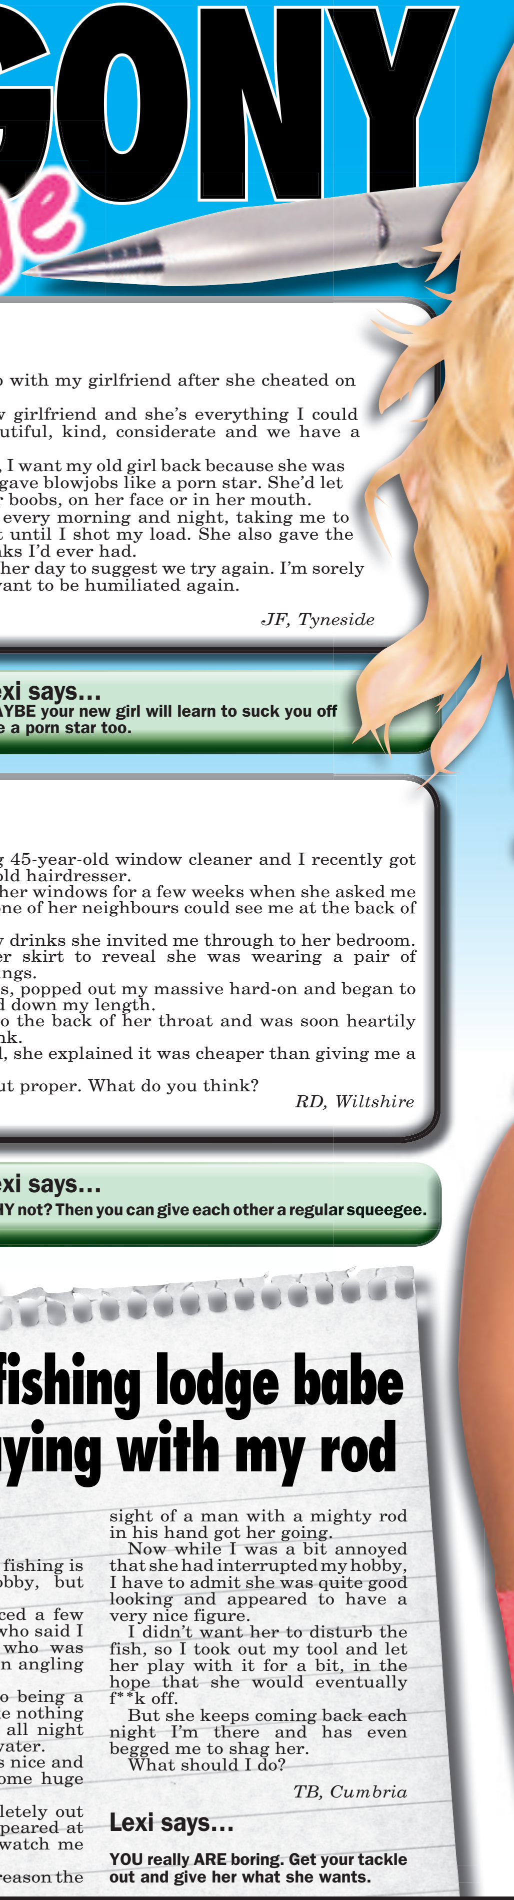
THE WORLD FAMOUS AGONY Page



Dear Lexi,

I RECENTLY split up with my girlfriend after she cheated on me with a friend.

I've since got a new girlfriend and she's everything I could dream of – she's beautiful, kind, considerate and we have a pretty good sex life.

But here's the thing, I want my old girl back because she was a right dirty cow who gave blowjobs like a porn star. She'd let me climax all over her boobs, on her face or in her mouth.

She'd lick my knob every morning and night, taking me to the back of her throat until I shot my load. She also gave the most stunning tit wanks I'd ever had.

She called me the other day to suggest we try again. I'm sorely tempted. but I don't want to be humiliated again.

What should I do?

JF, Tyneside

Lexi says…

MAYBE your new girl will learn to suck you off like a porn star too.

Dear Lexi,

I AM a decent-looking 45-year-old window cleaner and I recently got lucky with a 54-year-old hairdresser.

I'd only be cleaning her windows for a few weeks when she asked me in for a drink when none of her neighbours could see me at the back of her house.

Once we'd had a few drinks she invited me through to her bedroom. She slipped down her skirt to reveal she was wearing a pair of suspenders and stockings.

She got on her knees, popped out my massive hard-on and began to run her tongue up and down my length.

Then she took me to the back of her throat and was soon heartily gulping down my spunk.

When she'd finished, she explained it was cheaper than giving me a tip at Christmas.

I'd like to ask her out proper. What do you think?

RD, Wiltshire

Lexi says…

WHY not? Then you can give each other a regular squeegee.

Mystery fishing lodge babe loves playing with my rod

Dear Lexi,

YOU may not think that fishing is a particularly sexy hobby, but you'd be dead wrong.

I'm 45 and was divorced a few years back by a woman who said I was a boring old sod, who was clearly more interested in angling than in her.

Okay, I must admit to being a keen fisherman and I like nothing better than staying out all night dangling my rod in the water.

The lodge where I go is nice and quiet and I've caught some huge fish there.

But last month, completely out of the blue, a woman appeared at my side and started to watch me fish.

She said that for some reason the sight of a man with a mighty rod in his hand got her going.

Now while I was a bit annoyed that she had interrupted my hobby, I have to admit she was quite good looking and appeared to have a very nice figure.

I didn't want her to disturb the fish, so I took out my tool and let her play with it for a bit, in the hope that she would eventually f**k off.

But she keeps coming back each night I'm there and has even begged me to shag her.

What should I do?

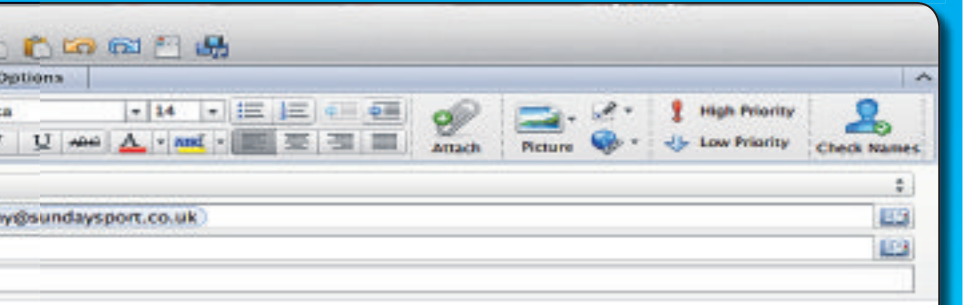
TB, Cumbria

Lexi says…

YOU really ARE boring. Get your tackle out and give her what she wants.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week LEXI LOWE has been reading through your letters. And here's her advice for you...



From:
To: agony@sundaysport.co.uk

Subject:

I want my missus to eat cock – not cake!

DearLexi,

MY missus and I have been together for 14 years and it's been pretty good.

Her love is food and my love is shagging – and I've put up with her piling on the pounds because she's always given me a fair amount of it.

We've always done it in the missionary position and never bothered with any kind of foreplay or deviation.

That's been fine with me, because I've been able to get my end away three times a week.

But last week, my brother showed me his secret porn stash and I saved them onto a drive.

Back home, I crept off to the bedroom to view it. I didn't expect to be turned on and the doggy-style sex and woman on top did nothing to excite me.

But then I watched this gorgeous blonde suck off some bloke and I was hooked.

I'd never seen someone give a blowjob before and it never occurred to me it'd look so good.

She started off by licking his purple helmet when his cock was floppy, slowly working her tongue down the shaft until his dick started to get hard.

I could tell even without looking at the bloke's face he was having the time of his life.

His cock went from three inches to a whopping seven inches of pork sword.

Then the blonde took almost all of his length in her mouth while working the bottom of his cock with her hand.

Spurted

She was thrusting her whole head up and down his shaft in a way that hypnotised me.

I didn't even realise I'd got my raging member out of my pants and was wanking myself off until I came with a shudder and spurted my hot joy juice all over the front of my laptop.

I sat there, spent cock in hand, until she finished him off – pulling away as he came so that his spunk went all over her face.

Suddenly, after 14 years, I knew my regular dose of missionary wasn't enough any more.

I knew I needed my wife to go down on me and give me a good gobbling, or I wouldn't be able to control this new desire taking over me.

I rushed down to the kitchen to find my missus sat at the table, munching a huge piece of cake.

Watching her mouth engulf the moist sponge made me weak at the knees, but I didn't know how to say I wanted my cock to be that piece of cake.

What should I do?

SF, Merseyside

Lexi says...

ASK her! She can only say yes or no.

Anti-English?.. I had a Wales of a time!

Dear Lexi,

I WENT on a much-needed break to Wales and had been warned to be a little wary of the women there, as they were supposed to be anti-English.

How wrong can you be?! Within an hour of parking up my campervan on a nice site, I was being chatted up by a busty blonde lady in a bar.

She invited me back to her place and wasted little time getting my English cock out.

She sucked me off and then made me come all over her massive knockers.

Then I licked her out and was pleasantly surprised to find her hairless – even her armpits!

I then did her from behind and was invited to do her up the wrong 'un, too, which I managed with relish.

Stunning

I met up with her the next night and this time she brought a pal with her. Her friend was a stunning brunette with an equally stunning body.

After a few drinks we went back to my campervan and I had the pair of them.

I also enjoyed a tremendous wank as I watched them at it in the 69 position.

This blonde bird has now asked me to move to Wales – so all three of us can f**k as often as we like.

I'm tempted, but I have a really good job in the area where I live.

What do you think I should do?

OH, east Midlands

Lexi says...

MAKE regular trips in your campervan to keep her sweet.

Dear Lexi,

I AM a 32-year-old single male trainspotter, which usually scuppers my chances of any action with the ladies.

I've always been able to count on one hand the number of times I have got my leg over.

But my situation changed dramatically when I joined a new locomotive fanciers' club in the area where I live.

The members were not only interested in trains, they were also very friendly.

In particular, there was an attractive blonde with enormous boobs who immediately caught my eye.

We got chatting on the first night and instantly hit it off.

A few weeks later, after a trip out to see an impressive steam engine, she invited me back to her apartment.

One thing led to another and we were soon naked and rolling around the living room.

She was dynamite in the sack – sucking me off with great gusto and then demanding I "enter her tunnel with my engine".

I see her three times a week and the sex is great, but I can't help thinking she's a bit odd.

Any advice?

KS, west Yorkshire

Lexi says...

BE thankful a girl wants yo blow your whistle!

#MY SEX FANTASY

‘The curtains are wide open and I position us so they get a real eyeful’

...WITH INES CUDNA, 31
32D-24-35
FROM HOVE, E. SUSSEX

This makes me sound like a real exhibitionist...I love having sex in front of my window so that my neighbours can see!

“I get such a thrill knowing I could be being watched.

“I often walk around naked in my flat and I know there are two younger lads who live opposite me who have noticed and peep on me.

“When I realised this I decided to put on a show for them, while pretending I was unaware of their prying eyes.

“So whenever I have a guy over, the curtains are always wide open and I position us near the window so they get a real eyeful.

“When I go away I become even more daring. I once stayed in an apartment in Dublin that had a roof garden area that the apartments all round overlooked.

“I went with my then boyfriend and we shagged on that roof area virtually completely naked.

“It felt so naughty and it was the hottest thing ever – I came fthree times and I’m sure that everyone heard me!”

CURVY Charley Atwell was once caught SHAGGING in a car park by the POLICE.

Charley, 28, from Romford, Essex, was going at it like the clappers with her hunky fella in a train station car park when they were spotted by cops.

Instead of being mortified by the ordeal though, the 34E mega-boobed beauty thought it was hilarious.

She said: "I got caught by the cops having sex in a train station car park!

"The officer looked really shocked and suggested we do it somewhere more private next time.

"I couldn't stop laughing. It wasn't embarrassing, just funny!

"I love doing it outdoors, especially in the rain. I've done it loads of times.

"It's really sexy and better than just having sex in a bed all the time.

"Fumbling around outdoors is always fun – even if you do get caught!"

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

WELCOME to the interactive *Midweek Sport* – where YOU get to choose the stunnas appearing on these pages!

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to *request@sundaysport.co.uk* telling us why you want to see your favourite girl, then sit back and let us do the rest.

CLAIR MEEK

PERSONAL trainer Jon Taylor wouldn't mind working up a sweat with sexy glamour girl Clair Meek.

The Bath fella, 23, reckons the 32-year-old babe would be a perfect workout partner – but he could get distracted by the Ayr stunna's giant 30G boobs.

He said: "Clair has an amazing figure – just look at her waist and her amazing boobs.

"I'd love to show her around my gym and get her pumping some iron.

"If I'm lucky, she might even pump mine as well!"

NATALIA PHILLIPS

PUB chef Russ Jones would happily share his meat and two veg with his favourite model, Natalia Phillips.

Russ, 34, from Aberystwyth, has been dreaming of spending a Sunday with 25-year-old Bromley babe Nat.

"Natalia is my ideal woman – sexy, pert 32C boobs and a cheeky look in her eyes," he told us.

"If she visits Wales, I'd love to be her tour guide.

"In fact, I could cook her a Sunday roast at my pub and then we could go upstairs – so we can have some dessert!"

HOLLY KENT

HORNY Holly Kent has been requested by TWO randy readers this week.

Demands for pics of the 30-year-old 32D babe came from two blokes from her home manor of Streatham, south London.

Chip shop owner Charlie Brady, 48, wrote: "She's easily the fittest girl to come out of south of the river, I'll give her a free fish supper any time."

And builder Dariuz Pjostr, 50, said: "I'd love to show Holly just how good I am with my hands!"

Here you go fellas, share nicely!

BEEK OF THE NET: United new boy Danny

Dream move to United for van de Beek

By JOHN ANTHONY

MOVING to Manchester United is a “dream come true” for Ajax midfielder Donny van de Beek.

The Reds have swooped in front of Real Madrid to seal a £40m deal for the 23-year-old who is heading to the UK for his medical.

And his dad Andre has made his feelings clear about the transfer. He said: “Ajax is in our hearts.

“In principle, we will never be finished there. Playing football there for another ten years would not have been a punishment, then you would not have heard Donny moan, either.

“But United is a wonderful club and this is a dream come true. Everyone in our home village is very proud.”

Van de Beek made his name as Ajax marched to the latter stages of the Champions League two seasons ago with a largely homegrown team.

His performances as playmaker stood out and attracted the attention of Real Madrid, with Spurs also interested.

Fantastic

He has a couple of international team mates nearby in Nathan Ake at City and Liverpool’s Virgil Van Dijk.

The Kop defender thinks van de Beek will be a big hit in the Premier League.

Van Dijk said: “I wish Donny all the best.

“It’s fantastic for him and great for Dutch football. It’s another great step to another beautiful club for a Dutch player.

“The same goes for Nathan Ake.”

It could be a busy time at Old Trafford with more new faces expected before the transfer window closes early next month.

Red Bull Leipzig are bracing themselves for a United offer on centre-back Dayot Upamecano.

The 21-year-old is hot property and a new three-year contract isn’t putting off Ole Gunnar Solskjaer.

It will be tough for the Reds to get the deal done but a £40m offer could change the German club’s mind.

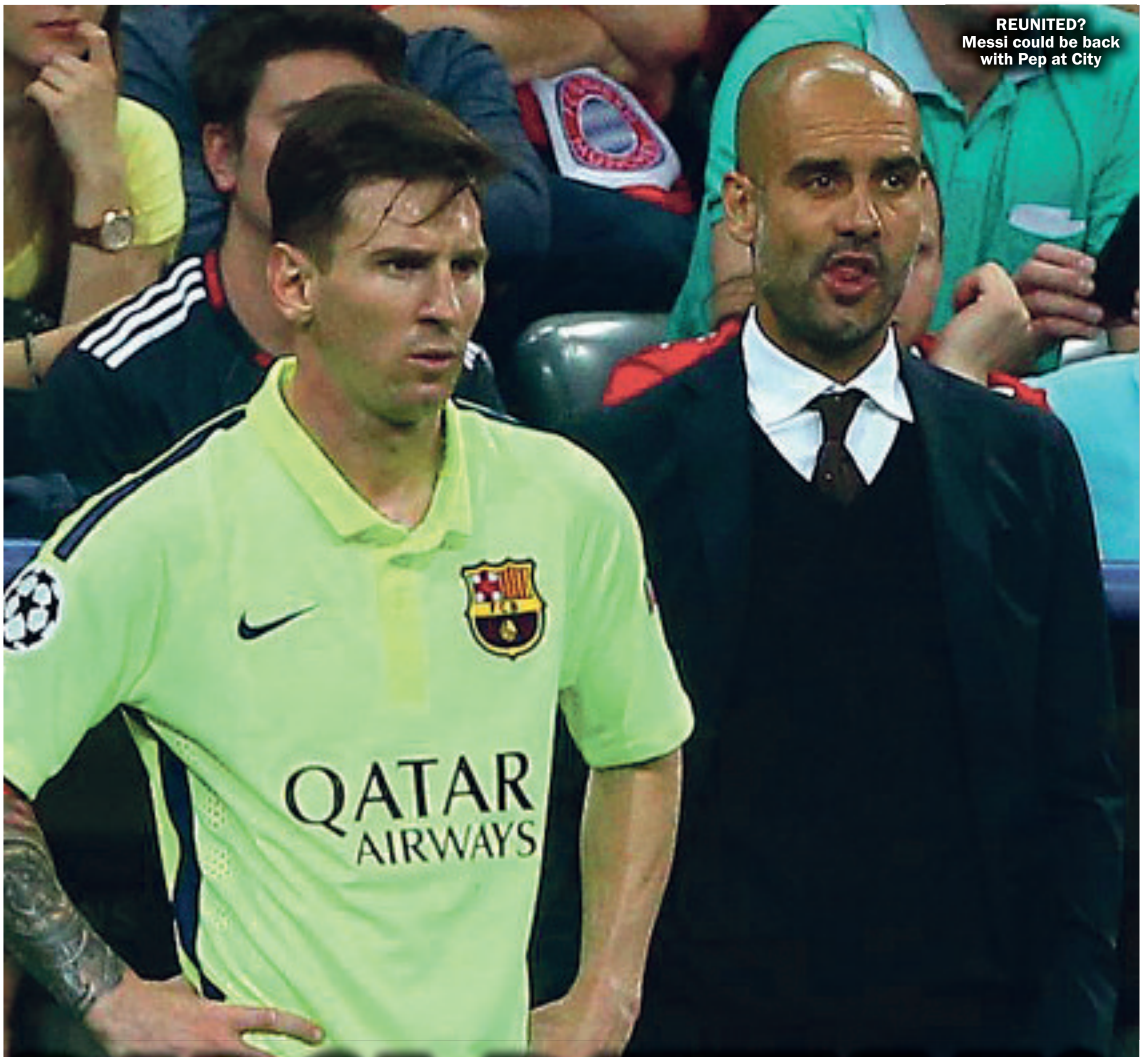
That leaves Jadon Sancho as the big name waiting in the wings.

Last month it looked as though a deal was imminent for the Borussia Dortmund winger but they are holding out for more than £100m and United don’t want to pay that much in one instalment.

DOUBT: Jadon Sancho

TARGET: Upamecano

IT’S THE TRANSFER SAGA OF SUMMER



REUNITED? Messi could be back with Pep at City

BARCA BATTLE TO CLEAN UP MESSI

Showdown talks over wantaway Lionel

By PAUL THOMAS

BARCELONA have their final chance TODAY to keep Lionel Messi at the Nou Camp.

The Argentina legend wants to leave the Catalans and seems destined for a move to Manchester City or Paris St Germain.

Reports in Spain suggest that Messi has made up his mind and won’t go back into training with new Barcelona boss Ronald Koeman.

He considers his time at the club to be over and expects the free transfer release clause in his contract to be honoured.

Now his representative — dad Jorge — will sit down with Barca president Josep Maria Bartomeu to sort out Messi’s immediate future.

The club insists he must stay and the free transfer clause in his contract has expired — a view backed up by La Liga bosses.

But it has yet to be tested in court and Messi has hired a legal team that includes lawyers that have done a lot of work for Barcelona in the past.

The 33-year-old has a £625m buyout clause in his contract but no club — not even those owned by middle-east royals — would cough up that kind of cash for a player of his age. When you throw in his wage package of more than £1m a week, that’s a lot of replica shirts to sell.

Barcelona are doing all they can to keep Messi and have softened their stance after originally refusing to open talks.

Terms

They may settle for an offer in the region of £100m to let their prized asset leave a year before his contract ends.

If that’s the case, it looks like City are in the driving seat because of Messi’s history with manager Pep Guardiola.

Some Spanish reports suggest that personal terms have already been agreed for a new role at the Etihad.

He would play for City for around three years before heading across to sister club New York City in the US to complete his career there.

After that, he could be a club ambassador as City try to expend their attraction around the world.

It makes perfect sense for them to sign Messi as they are trying to confirm their status as one of the biggest clubs in the world.

Having him in a City shirt would instantly raise the club’s profile all over the globe — and give them a massive chance of landing their first Champions League title.

KAI SAYS HI TO CHELSEA

KAI Havertz will kick off the new season at Chelsea after an £85m deal was agreed with Bayer Leverkusen.

The Bridge boys will hand over an initial £70m for the forward with the rest coming as add-ons depending on how well he does in west London.

After weeks of wrangling between the clubs, it appears all hurdles have been cleared for the 21-year-old to sign on the dotted line. And his current manager Peter Bosz admits he doesn't expect to see Havertz when pre-season training starts after the international break.

By JOHN ANTHONY

He said: "Unfortunately our squad isn't set yet.

"I don't expect Havertz to train with us again.

"It's possible more players will transfer and we definitely still have to add some players."

It has already been a busy summer for Chelsea gaffer Frank Lampard.

Havertz is the sixth signing as he bids to overhaul the squad after sitting out a couple of transfer windows thanks to a ban on bringing in new players.

Hakim Ziyech, Timo Werner, Ben Chilwell, Thiago Silva and Malang Sarr have already arrived with the latest deal pushing spending past the £200m barrier.

Lampard is delighted with his business — especially the deals for defenders Thiago and Chilwell as Chelsea struggled to keep teams out last season.

The gaffer said: "With Ben Chilwell, he is a player I know very well, he has been pretty much England's first-choice left-back now in recent times.

"Great qualities in terms of how he can join in, he is athletic, his physicality, the way he plays and the quality of his left foot.

"For us in terms of how he can help out on the left side, attack-wise and defensively, which of course is always first and foremost, I am excited to work with him so I think he's a great addition.

"At 23 years of age, it is a really positive one for us."

Silva is very much at the other end of his career having arrived from Paris St Germain after their Champions League final defeat.

SPENDER: Lampard

Experience

The 35-year-old Brazilian has penned an initial 12-month deal with the option to extend for another season.

Lamos added: "With Thiago, we are looking at a player I know very well, pretty much as we all do.

"He brings great experience for us, he is still playing at a massively high level, as we saw in the Champions League final and games towards the final.

"I expect him to come and bring that, bring his experience, leadership and his qualities. It is going to be very important for us.

"We have a relatively young squad, we saw that last year. There were games afterwards when I was probably asking for more voice and some more leadership in different ways and he brings that naturally straight away."

Now all that's left is to bring in a new goalkeeper once Kepa Arrizabalaga finds a new club with Spain his most likely destination.

Ceballos desperate to stay at Gunners

DANI Ceballos is keen to extend his loan stay at Arsenal — because he loves working with boss Mikel Arteta.

The Gunners are in talks with Real Madrid to keep the midfielder for another season with a permanent deal a possibility.

That's great news for Ceballos who is a massive fan of Arteta.

He said: "We know it's a plus for us to have someone next to the pitch who can see things we can't see at certain moments, and he can communicate with us much quicker now that there is nobody in the stadium.

"He is using me in a position which is unusual for me, as a pivot in front of the defence next to Granit Xhaka, so I think it's good that he is helping.

"Someone who is looking at the pitch from the outside can see all 22 players and give better advice about the best positions to be in.

"I've felt very comfortable at this club from the beginning.

"The fans accepted me very well and my team-mates made everything easy for me. I don't regret my decision to come to Arsenal in any way."

Even missing a good part of the season with injury didn't put the downer on the season.

Again, Arteta was a big help while Ceballos was on the sidelines.

He added: "Of course, when you get an injury and you don't play, you start to get a few doubts.

"But I spoke to the boss and we found a way forward together. He told me he had followed me a lot in Spain. He supported me a lot."

FERRARI FACE MONZA MADNESS

FERRARI chief Mattia Binotto admits his team is enduring a nightmare season in Formula One.

But he insists there is no crisis with the Italian giants despite their drivers Charles Leclerc and Sebastian Vettel finishing 13th and 14th in last weekend's Belgian Grand Prix.

They were only eighth in the team standings at Spa and the Scuderia's many fans are not happy.

Binotto insists better times are just around the corner.

By ANDY MILLOM

"He said: "Is there a crisis? No, there isn't. It was a very bad result during an extremely tough season for everyone.

"We knew it would be from the winter tests, Covid and the new regulations. We have to have tight deadlines, we're in the midst of a storm, but we have to look ahead and work hard for our futures."

It appears that the Ferrari engine is coming up well short when it comes to straight-line speed and that is a major problem at the Belgian track.

Binotto added: "We're short on speed and aerodynamic efficiency. My message for the fans is that we understand them and we're sorry. What's happening is the car has lost power compared with 2019, just as they all have.

"We partially accounted for those limits with a superior engine. We have to improve in this regard."

To make matters worse, the Formula One roadshow heads to Italy next and the Ferrari stronghold of Monza.

That's just about the fastest track on the calendar so it could be another difficult weekend ahead.

Binotto added: "We're very united. There's no tension, but there is a feeling of disappointment and frustration, which we have to turn into determination.

"It's a tough period and we're looking into what we want to do. As for Monza, after Spa, it'll be tough in a week's time because it's such a fast track.

"Changing engine modes in qualifying will be banned, so we'll see which changes we can make.

"There's no point kidding ourselves. We have to rally as well. We were too far behind in Belgium."

Everton land coup with Rodriguez deal

By JOHN ANTHONY

EVERTON should kick off the new season with James Rodriguez in their squad.

The Real Madrid forward wants to join Toffees boss Carlo Ancelotti for a THIRD time.

The 29-year-old is in the final season of his contract and could cost the Blues as little as £20m — but he’ll want around £200,000 a week in wages to leave the Bernabeu.

He has played for Ancelotti at the Spanish giants and went with him to Bayern Munich on loan before returning to the Bernabeu.

The Colombian has struggled to hold down a place in Zinedine Zidane’s side and his signing is a coup for the Toffees.

Ancelotti is keeping a lid on things until the deal is finalised.

He said: “James Rodriguez? I like, I like a lot as a player.

“When I left Madrid, James Rodriguez followed me to Munich. He came to play. But he followed me as a rumour to Napoli and now he is following me here to Everton as a rumour.

“I have to be honest, I like him a lot.”

He would be the second big buy of the summer for Everton after agreeing a deal with Napoli for midfielder Allan.
